Smiles of Tomorrow is returning to all Harleton campuses beginning in early April to provide dental cleanings, fluoride, sealants, x-rays and exams for students and staff. To sign up your child, please fill out page 2 of the brochure on the school website and turn in to any campus office. Every patient needs their own form. Please turn in forms no later than March 31st. We will return every six months for regular, follow-up cleanings.

- **No need to take off work for you or your child's dental cleaning**
- **Kids won't miss school, we come to THEM**
- **Any necessary restorative work will be referred to your existing or other local dentist**
- **Most insurances accepted... No MEDICAID/CHIP at this time**

If you have any questions or concerns, I would be happy to visit with you!

Don't forget to "Like" us on Facebook @ Smiles of Tomorrow!

Sincerely,
